Marathi, Hindi, English, Sanskrit

HOBBIES

Learning new technologies
Listening to music
Drawing and painting
Exercising and meditation

Harshda Sachin Sutar

AIML Engineering Student | Mobile App & Machine Learning Enthusiast

PROFILE

AI & Machine Learning engineering student at Bharati Vidyapeeth College of Engineering for Women and Diploma in Computer Engineering graduate with hands-on Android development experience. Skilled in Python, machine learning, AI, SQL and data analytics, with a strong interest in problem solving, discovering insights from data and gaining practical industry experience.

EDUCATION

Qualification	Institute / Board	Year	Score
Engineering - Artificial Intelligence & Machine Learning (AIML)	Bharati Vidyapeeth College of Engineering for Women	Pursuing	-
Diploma in Computer Engineering	Government Polytechnic, Karad	Completed	92.47%
SSC	Maharashtra Board	2023	97.20%

INTERNSHIP

Mobile Application Development (3 months)

- Gained hands-on experience in a practical learning environment.
- Worked across frontend, backend and database management.
- Practised debugging, problem solving and testing.

PROJECTS

- **Smart Calculator** (Web) - calculator with history, memory and scientific mode, built with HTML, CSS and JavaScript.
- **Interactive Image Gallery** (Web) - responsive image gallery built with HTML, CSS and JavaScript.
- **Internship & Placement Management System** (Mobile Application) - Android app to manage internship and placement activities.
- **Fit Life Fit Health** (Mobile Application) - app focused on fitness and healthy living.
- **Student Predictor** (Machine Learning) - ML project that makes predictions from student data.

CERTIFICATIONS

Course-completion certificates from Springboard, upGrad and Scaler in AI, Machine Learning, IoT, Hacking, OOPs, Java, Digital Forensics, AR/VR, Cloud Computing, Blockchain and Quantum Computing.
